REPORT OF THE TOWN MEETING**March 10, 1964**

A meeting of the Inhabitants of the Town of North Hampton qualified to vote in town affairs and held in the Elementary School Building in said town, the alphabetical list of voters having been posted and subscribed on the back thereof by the Supervisors of the Checklist, was called to order at ten o'clock in the forenoon by the Moderator, James F. Leavitt, who declared the Polls open, the business meeting to be held at 7:30 P.M. On motion of Maurice E. Kierstead it was voted that the Polls remain open long enough after the business meeting to give everyone an opportunity to vote.

At 7:30 P.M. Moderator Leavitt declared the meeting open and announced that the Polls would remain open long enough after the close of the business meeting to give everyone an opportunity to vote.

Moderator Leavitt asked Reverend Martin Johnson to give the invocation, after which Moderator Leavitt read the Town Warrant for 1964.

BEANO QUESTION

Shall the provisions of Chapter 171-A of the Revised Laws relative to playing games of Beano be adopted in this town?

Yes	266	No	297
-----------	-----	----------	-----

Article 2. Votes were cast by ballot in the preferential poll for the Democratic and Republican candidates for President and Vice-President; and for delegates and alternates to the Democratic and Republican National Conventions of 1964.

Article 3. Votes were cast by separate ballot to choose delegates to the Constitutional Convention.

George G. Carter 597

George G. Carter was elected.

Article 4. Votes were cast by separate ballot on the question "Shall sweepstakes tickets be sold in this town?"

Yes 505

No 212

Article 5. George G. Carter moved, and it was so voted, that this article be passed over until all other articles had been given consideration.

Article 6. James Griffith moved that the Town Treasurer, with the approval of the Selectmen, be authorized to borrow money in anticipation of taxes. Motion was carried.

Article 7. William Fowler offered an amendment to this article, adding the proviso that "In the case of private sale, such sale shall be made only after public notice of solicitation of bids and then only to the highest bidder." Acceptance of amendment was voted. Mr. Fowler then moved that Article 7 be passed as amended. Motion was carried.

Article 8. Maurice Kierstead moved and it was so voted that this article be amended to read as follows: To see if the town will vote to raise and appropriate the sum of Fifteen Hundred (\$1,500.) Dollars for the purpose of purchasing a new police cruiser, of which Seven Hundred and Fifty (\$750.) Dollars, "including

the accumulated interest", is to be withdrawn from Capital Reserve Fund No. 4 and to authorize and instruct the Trustees of Trust Funds to make such payment or payments to the Town Treasurer, and the remaining Seven Hundred and Fifty (\$750) Dollars to be raised by taxation. Victor Lessard moved that this article be passed as amended. This article was voted by ballot. Total votes cast: 190. Yes: 177 — No 13. Motion was carried.

William B. Artz and Ronald Evans were appointed by the Moderator as tellers for the evening.

Article 9. Edward Fritz, Jr. moved and it was so voted that this article be passed as read.

Article 10. Allan Sawyer moved that the Town authorize the Board of Selectmen to accept River Road as a Town Road subject to the Town receiving a satisfactory deed for said Road and subject to the approval of the Board of Selectmen. Motion was carried.

Article 11. Edward Fritz, Jr. moved that this matter be left in the hands of the Planning Board for their recommendations to be brought in at Town Meeting next year. Motion was carried.

Article 12. David Chevalier moved that Capital Reserve Fund No. 5 be established for the purpose of purchasing a new fire truck for the Town and to raise and appropriate the sum of Five Thousand (\$5,000) Dollars to be placed in said fund for said purpose. This article was voted by ballot. Total votes cast: 183. Yes: 177 — No 6. Motion was carried.

Article 13. Motion was made and seconded that the sum of Fifteen Hundred (\$1,500) Dollars be appropriated from the principal and accumulated interest of the Capital Reserve Fund No. 1 for the construction and

reconstruction of Town buildings and to authorize the Trustees of the Trust Funds to make such payment from the Capital Reserve Fund No. 1 to the Treasurer of the Town in such amounts and at such times as the Board of Selectmen may direct. Motion was carried.

Article 14. Harlan Carter moved and it was so voted that this article be amended to read: To see if the Town will vote to raise and appropriate the sum of Five Hundred and Twenty (\$520.) Dollars to install fire hydrants on Winnicut and Post Roads for fire protection purposes. Motion was made to accept this article as amended. This article was voted by ballot. Total votes cast: 150. Yes: 123 — No: 27. Motion was carried.

Article 15. Victor Lessard moved that this article be adopted as read. Hayden Brown requested count of show of hands. Total vote: 157. Yes: 121 — No: 36. Motion was carried.

Article 16. John McMahon moved that this article be deferred until after consideration of Article 19. Motion was carried.

Article 17. Victor Lessard moved that Article 17 be deferred until after consideration of Article 19. Motion was carried.

Article 18. Moderator Leavitt announced that since Article 18 depends on Article 17, Article 13 would also be deferred.

Article 19. Lewis Haven moved that the Town participate in the Urban Planning Assistance Program (master plan) and raise and appropriate the sum of Thirty Five Hundred (\$3,500.) Dollars as the Town's share of the total cost. This article was voted by ballot. Total votes cast: 196. Yes: 155 — No: 41. Motion was carried.

Article 16. Maurice Kierstead moved that the Town authorize and empower the Board of Selectmen to borrow a sum not exceeding Twenty Thousand (\$20,000.) Dollars for the purposes of Article 15 and to issue notes of the Town of North Hampton in the principal amount not exceeding Twenty Thousand (\$20,000.) Dollars in accordance with the provisions of Chapter 33 of the Revised Statutes Annotated and other pertinent provisions, to be payable in such amounts and on such terms as the Board of Selectmen may approve. This article was voted by ballot. Total votes cast: 179. Yes: 124 — No: 55. Motion was carried.

Moderator Leavitt announced that Articles 17 and 18 could not be acted upon because of additional appropriations exceeding the ten per cent limit as set by statutes above the budget as approved by the budget committee.

Article 5. Barbara G. Luther moved that the Town raise sums of money as set forth in the 1964 Town Budget as presented by the Budget Committee, \$113,374.60, plus the increase of \$9,770. voted in Articles 8, 12, 14 and 19, or a total of \$123,144.60, to defray Town expenses for the ensuing year. Motion was carried.

Article 20. Philip T. Boothby moved for an opinion vote concerning the possible disestablishment of Little Boar's Head Precinct. Motion was defeated.

The meeting adjourned at 10:10 P.M.

The polls closed at 10:20 P.M.

TODD N. CARTER,

Town Clerk

SELECTMEN'S REPORT

The Selectmen in the past year requested that a survey be made of street lighting by the New Hampshire Electric Company. This survey was performed and the recommendations made to the Budget Committee. The budget was prepared to reflect the improvements as requested by the Selectmen which are relocations of obscure fixtures in trees and replacement of incandescent bulbs with mercury vapor bulbs at the major intersections.

The lighting shall be improved on a yearly basis to cope with the ever expanding developments.

Property Inventory blanks will be distributed on or before March 20, 1965. Veteran exemption blanks will be distributed at the same time along with the Property Inventories for those veterans who were eligible in 1964.

New veterans are required to furnish proof as required on the back of the applications for service exemptions.

By Presidents is meant those seeking veterans' exemption. The word resident as used in section 28 shall mean a person who has resided in this state for at least one year preceeding April 1, in the year which the exemption is claimed. Property Inventory blanks and veterans Exemption forms are to be filed with the Board of Selectmen between April 1, and April 15, 1965.

The Selectmen wish to thank those who have served on various committees and have given their time so willingly when asked to do so.

Auditors

REPORT OF LIBRARY TRUSTEES

The trustees are appreciative of the many gifts to the library from individuals and organizations. We thank the "Friends" who sponsored our program for National Library Week and the craftsmen and clubs who participated in the Arts and Crafts exhibit. The plants and flowers provided by the Bush and Bud Garden Club as well as their Christmas decorations and the lighted tree, given by the Women's Club, gave much pleasure to staff and patrons. We appreciate the tasks performed by Mr. George Craig, especially the construction of the foundation for the new Book Deposit.

During the past year free-standing shelves and card files were purchased. In the coming year we plan to build additional shelves. In another year there will be no room for further expansion and it is our hope that the Planning Board will give serious consideration to a building project.

The trustees attended three regional meetings and the annual meeting of the New Hampshire Library Trustees Association where federal and state aid to libraries, both for books and building construction, was explained and discussed. We have requested the N.H. State Library Commission to approve our application for status as an Affiliated Library as part of the State-wide Library Development Program (RSA 201-C). This means we will be able to buy our books through a central purchasing agency at a better discount and have them catalogued at the State Library free of charge. Later on, our residents will be able to have a "Common Borrower's Card" which they may use in any affiliated library in the state.

Treasurer, Library Trustees

REPORT OF LIBRARIAN

To the Trustees of the North Hampton Public Library:

The following is a report of the library from January 1, 1964 to December 31, 1964:

Number of new books added	539
adult fiction	165
adult non-fiction	200
juvenile fiction	104
juvenile non-fiction	70
Books given to the library	82
Book Circulation	21,660
Magazine Circulation	1,378

The Library gratefully acknowledges the gifts of books and magazines by the following: Mr. and Mrs. Theodore B. Griffith, Mrs. Charles Lilly, Mrs. Philip Drake, Mr. Edward Brown, Mr. Maurice Messer, Mrs. Herbert Bridges, Mrs. Kendrick Norton, Mrs. Martha Halsey, Mrs. Fred Pingree, Mr. Ogden Nash, Mr. Harold Farrar, Mrs. Winslow Eddy (Emily R. Dow), Mr. Leonard Beers, Mrs. James Madison, Mrs. Clifton Gilman, the North Hampton Senior Woman's Club, Mrs. Cord Meyer, Mrs. Edward Larsen, Mrs. Allen King, Mrs. Edward Dodd, and Mrs. Dorothy Clarke. Mrs. Clarke also presented the library with 2 very unusual maps.

The State Library-sponsored neighborhood meetings, 6 in all, including workshops in Exeter and special all day sessions in Concord, were attended by me and at least one trustee. These meetings help to keep us in touch with new developments in library services, and are very much appreciated.

Many patrons have already put to good use the new Book Deposit that our Library now has in use. The Book Deposit, sponsored by the Friends of the Library, is the result of much work and planning, and most important, of the generous contributions by interested organizations, adults, and boys and girls.

Town Warrant for 1965

THE STATE OF NEW HAMPSHIRE
TOWN OF NORTH HAMPTON
TOWN WARRANT FOR 1965

L.S.

To the Inhabitants of the Town of North Hampton in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the New School Building on Atlantic Avenue in said North Hampton on Tuesday, the ninth day of March, 1965, at one o'clock in the afternoon; Business meeting to begin at 7:30 P.M.; Polls not to close before 7:30 P.M.; To act upon the following subjects:

ARTICLE I. To choose one Selectman for three years, one Town Clerk, one Town Treasurer, one Collector of Taxes, and all necessary Town Officers for the ensuing year.

ARTICLE II. To raise such sums of money as may be necessary to degray town charges for the ensuing year and make appropriations of the same.

ARTICLE III. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money in anticipation of taxes.

ARTICLE IV. To see if the Town will vote to authorize and empower the Board of Selectmen, or a majority of them, to sell and convey the real property acquired by the Town by tax sale, to be sold either at public auction or private sale.

ARTICLE V. To see if the Town will vote to establish Capital Reserve Fund #6 for the purpose of purchasing a new cruiser for the Police Department and to appropriate for deposit in said Fund all fees received

by the Police Department for preparation of accident reports, monies received as the Town's share of the revenue from the Hampton District Court and such other fees, gifts, or other unanticipated receipts as the Board of Selectmen may deem appropriate for deposit in said Fund.

ARTICLE VI. To see if the Town will vote to raise and appropriate the sum of One Hundred Thirty Five (\$135.00) Dollars to install a fire hydrant on River Road.

ARTICLE VII. To see what action the Town will vote to take regarding taxation at 100% of assessed valuation.

ARTICLE VIII. To see what action the Town will vote to take in regard to the operation of the Town dump.

ARTICLE IX. To see if the Town will vote to authorize and empower the Board of Selectmen, or a majority of them, to sell and convey certain land owned by the Town at the Greenland Town Line on Post Road to the abutting owners.

ARTICLE X. To transact such other business as may legally come before the meeting.

Given under our hands and seals this 20th day of February, in the year of Our Lord Nineteen Hundred and Sixty Five.

Our Friends of the Library are always generous with their time and effort; earning money for projects, helping to process new books, assisting with the never-ending job of keeping the shelves in order, adding to the picture file, and many other tasks.

We have recently finished weeding our shelves of old and worn out fiction, assisted by Mrs. Rachel Sanborn, District Library Consultant, which slightly relieves our crowded shelves.

The Summer Reading Club is as active as ever, and the children begin inquiring about the program before school ends.

ROBERTA CRAIG, Librarian

REPORT OF THE FIRE DEPARTMENT

The year of 1964 showed a marked increase in fire loss over the previous years. These were caused by careless use of smoking materials, electrical defects, defects and misused heating and cooking equipment, children playing with matches, and outside burning when weather conditions were not favorable to burn.

The department received 73 calls for assistance and 10 of these were for Mutual Aid: Hampton 6, Rye 1, Stratham 1, Brentwood 1, and Amesbury, Mass. 1. Our department requested Mutual Aid from Rye 1, and Hampton 1.

With the wonderful cooperation of the principal and teachers at the Center School fire prevention week was observed with a display of fire equipment, school inspection by Deputy Fire Marshall Herbert Whitney and Fire Chief Curtis Marston, and a fire drill by the children.

The National Fire Board reports that each day, on the average, the cost of fires in private homes was almost 18 lives, 1552 houses destroyed or damaged, and nearly \$900,000.00 in money. Major factors in fire deaths in homes were delayed discovery of the fires and failure to plan adequate escape arrangements. About one-third of the child victims had been left alone and unattended when fire struck.

No outside burning is permitted unless a permit has been issued. These may be obtained at the Fire Station upon request if weather is favorable. Outside incinerators must be inspected before a seasonal permit is issued.

To report a FIRE call 964-8282. For any other business, including Police, call 964-8621.

CURTIS D. MARSTON, Fire Chief
North Hampton Fire Dept.

NORTH HAMPTON POLICE DEPARTMENT

During the past year, the Police Department has been striving to increase its efficiency and has been quite successful in realizing its goal. In spite of the constant increase in population and commercial enterprises, we have been able to minimize the number of unlawful activities.

There has been a noticeable decrease in the number of traffic accidents. We have accomplished this by better road marking and signs and by enforcing the Motor Vehicle Code more strictly. The residents' cooperation in this matter has proved an important factor, also.

The department is becoming more and more streamlined. We have purchased a new cruiser, new uniforms, and new equipment. Also, we have renovated our office.

In the future, we hope to continue working with other departments to provide maximum protection for our citizens and their property.

Respectfully submitted,
RALPH A. O'CONNOR,
Chief of Police

REPORT OF THE CIVIL DEFENSE DIRECTOR

To the Board of Selectmen and
Residents of the Town of North Hampton

At this time, I wish to report the activities of your Civil Defense this past year. This unit has participated in conjunction with the State Civil Defense Agency in communication warning tests, both by telephone and radio, whenever the State agency has held them. The Fire and Police Departments have co-operated fully. In my opinion, without their assistance, there would be no Civil Defense, as they are the public's first line of defense against natural disasters.

In 1964, with Fire Chief Marston and Assistant Chief Wilbur Perkins collaborating a new air compressor for the fire and civil defense alarm was purchased and installed in the Town Hall basement. The half-inch steel pipe previously installed was replaced with one-inch copper tubing. For the year 1965, we are requesting the Budget Committee to appropriate the sum of two hundred and fifty dollars (\$250.00) to purchase and install a new horn to replace the old one in use which is at least thirty-four years old. It was purchased second-hand and installed in late 1941 or early 1942. We believe the new horn will cover a larger portion of the town, and the fire alarm boxes will be sounded more clearly.

Respectfully submitted,

REGINALD R. WRIGHT, Civil Defense

Director

REPORT OF PLANNING BOARD

The Planning Board held regular meetings during the year as required by law. No new sub-divisions were presented to the board during the year 1964, however, one sub-division which had been revoked at the request of the owner was re-activated. No decision has been reached on this matter as yet. Two plots dividing land on existing highways were presented and approved by the board.

It is unfortunate that very little has been accomplished on the Master Plan. The board has hired the services of Hans Klunder associates of Hanover, N.H., who during the summer made a population survey at their own expense. The following quotation from a letter received from the State Department of Resources and Economic Development will serve to explain the reasons why the Master Plan has not proceeded as planned.

“The present difficulty arises from the fact that we are under staffed; consequently the House and Home Finance Agency has advised us that until such time as we can add to the number of our supervisory personnel they are unable to give final approval to any application submitted by us. We operate under a biennial budget adopted by the State Legislature and at the time of the last session in 1963 the growth in our urban planning assistance program was not fully anticipated. Therefore, we begin the present biennium with very few people available for supervision of our local planning programs. To make matters worse, during the latter months of 1964, we lost the services of two of our people through resignation. We have been making earnest efforts during the last two months to secure the services of qualified planners under service contracts. We are confident that we shall obtain the ser-

vices of two such people within the next few weeks. We shall immediately notify the Federal Agency as soon as we are assured of the services of additional personnel and we have every reason to believe that they will approve the North Hampton program promptly thereafter."

The money that was appropriated at the annual meeting in March, 1964, has been set aside for further use.

The Board is incorporating in this report a typical example of the covenants that we require in sub-division developments. The following covenants are actually a part of a recorded sub-division plan.

LAND USE AND BUILDING TYPE:

No lot shall be used except for residential purposes, with incidental professional offices. No building shall be erected, altered, placed or permitted to remain on any lot other than one detached single family dwelling not to exceed two and one-half stories in height and a private garage for not more than three cars.

DWELLING SIZE:

The ground floor area of the main structure, exclusive of one-story open porches and garages, shall be not less than 950 square feet for a one-story dwelling, nor less than 750 square feet for a dwelling of more than one story.

NUISANCES:

No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

TEMPORARY STRUCTURES:

No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence either temporarily or permanently.

SIGNS:

No sign of any kind shall be displayed to the public view on any lot except one professional sign of not more than one square foot, one sign of not more than five square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period.

LIVESTOCK AND POULTRY:

No animals, livestock, or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other household pets may be kept provided that they are not kept, bred, or maintained for any commercial purpose.

TERM:

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of 10 years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.

ENFORCEMENT:

Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages.

Your Planning Board sincerely hopes that further progress can be made in the Master Plan starting early in 1965. The Town of North Hampton has many problems that must be resolved before we reach the point where it will be impossible to satisfactorily remedy changes in existing ordinances.

GORDON S. DOW

Chairman

WATER COMMISSIONS' REPORT

1964

In the year 1964 there were many extensions of the water mains in North Hampton. Only one was contracted and paid for as voted at the regular Town Meeting, that being the extension of the Water Main on Lafayette Road from the intersection of Atlantic Ave. to the Hampton Town Line. This was done for the sum of \$16,193. A distance of 7,800 feet.

The Hampton Water Company connected on at this point to its own line at Lamson Lane in Hampton, so that now there are two (2) lines entering the Town giving somewhat more uniform and consistent pressure. This connection was at their own expense.

A new well was located on the Dustin Property on Winnicutt Road by the Hampton Water Company. They connected this new well to the Water Main on New Road a distance of 7,200. All this of course was at its expense.

The Company in the Spring of 1965 will extend its line on Maple Road in a westerly direction to Locke Road, then northerly on Locke Road to the Rye Line where it will connect to its line there.

While this work is being done, Fire Chief Marston has recommended that the Hydrants on Willow Avenue be relocated so that the same number will serve a larger area. They are at present spaced nearer together than the required footage that the law requires for Fire Protection.

The extension of the Water Main on Exeter Road was done by the Hampton Water Company for the State of New Hampshire. Since the wells at the State Garage and

Allan Marston residence were contaminated by salt, the State was liable to furnish a new water supply. The State of course stood the expense.

The extension on the North end of the Water Main on Lafayette Road was done by private enterprise. A hydrant will be installed there to give more Fire Protection in that area.

The next extension of water in the Town we feel should be the continuation of the line on Post Road to connect onto the present line on Lafayette Road. This would complete another lap and definitely give better pressure and service in that area on Post Road.

Our rates for Water in this Town are very high. We and the Selectmen have fought against these high rates and shall continue to do so. We feel the Company itself should spend more money on extending the Mains for this Town. We shall endeavor to negotiate along these lines.

Respectively submitted,

HARLAN CARTER, Secretary

REPORT OF THE SCHOOL DISTRICT MEETING**MARCH 13, 1964****School District of North Hampton****State of New Hampshire**

To the inhabitants of the School District of North Hampton in the County of Rockingham in said state qualified to vote in District affairs:

You are hereby notified to meet at the Elementary School Auditorium in said North Hampton on Friday the thirteenth day of March at four o'clock in the afternoon and cast ballots from that hour until at least nine o'clock in the evening of said day for candidates for the following district officers:

The meeting was called to order by the Moderator who read the first five articles in the warrant and declared the polls open to vote by ballot on articles 1 to 5.

Article 1 James F. Leavitt, Moderator, 71 votes; John White, Moderator, 4 votes; Phillip Boothby, Moderator, 2 votes.

Article 2 Judith Batchelder, Clerk, 79 votes.

Article 3 Ada M. Fogg, Treasurer, 79 votes.

Article 4 Jane M. Palmer, Member School Board, 3 years, 73 votes; Barbara Luther, Member of School Board, 3 years, 2 votes; Blaise Conte, Member School Board, 3 years, 1 vote.

Article 5 James F. Leavitt, Auditor, 75 votes; Phillip Boothby, Auditor, 73 votes.

Article 6 Report of advisory committee see attached report by the committee.

Moved that this same committee continue and they be empowered to pick two additional persons to serve with them and they shall report to the district as soon as advisable.

Article 7 Moved that this article be accepted as read.

Article 8 Mr. Barber moved that the District appropriate, in addition to the original appropriation of \$197,181.49 for 1963-64, a sum of \$3,947.54 which amount has been authorized as an emergency expenditure by the North Hampton Municipal Budget Committee and the State Department of Education pursuant to RSA 32:10 and authorize the application against this appropriation of \$3,947.54 already received as income so that no additional funds shall be raised by taxation for the purpose.

Article 9 Mrs. Luther presented the budget for the years 1964 and 1965 for \$214,924.80 plus Article 7 of \$320.77. Bringing the total to \$215,245.57. |

It was moved by Phillip Boothby and seconded that the letters from Gov. King and Paul E. Farnum, Commissioner of Education of the State of New Hampshire be made part of the records of the meeting, so voted.

It was moved by Phillip Boothby and seconded that a vote of thanks given to Mr. Raymond, Principal, and his staff.

At the conclusion of the meeting Mr. Carter was presented with a gold watch from the School District by Mrs. Shirley Carter, a member of the School Committee, in appreciation for his faithful services during his fifty years as Clerk of the School District.

The meeting adjourned at 9 o'clock P.M.

GEORGE G. CARTER

REPORT OF THE SCHOOL DISTRICT MEETING**NOVEMBER 10, 1964****School District of North Hampton****State of New Hampshire**

To the Inhabitants of the School District of the Town of North Hampton, in the County of Rockingham, and the State of New Hampshire, qualified to vote on District affairs:

You are hereby notified to meet at the ELEMENTARY SCHOOL AUDITORIUM in said North Hampton on Tuesday, the Tenth of November, at 7:30 o'clock in the evening to act on the following subjects:

The meeting was called to order by the Moderator who read the articles in the warrant.

Article 1. Mr. Barber read letters from Senator Norris Cotton regarding the future of the Navy Yard, and from the Master Plan Committee to the Planning Board. He also gave a brief resume of the School Board and Advisory Committee's report to the School District. Mr. E. Russell Raymond, Principal, gave the history of the development of the School. Mr. Jason E. Boynton, Superintendent of schools showed and explained a projection chart.

Article 2. It was noted that the committee of eight is still working on a regional school. The possibility of swapping youngsters and or sending the Junior High students out on a year-to-year tuition basis was discussed. Tuition would have to be on a year-to-year basis. The costs of a regional school were discussed — the more join, the larger percentage of aid received.

It was mentioned that the original bond issue will be paid off in two years and that a new bond issue for a similar amount would not increase the tax rate too much. Mr. Boothby and Mrs. Wallace Brown spoke in favor of keeping youngsters in town. Mrs. Brown's remarks were applauded by a large number of those present. Discussed in regard to building plans were the following: Library, shop and home economics, kindergarten, hot lunch, and various combinations of rooms for an addition. It was moved to keep students here for the 1965-66 school year.

After much discussion regarding the four proposals presented to the voters by the School Board and the Advisory Committee (1. send pupils out on a tuition basis 2. have more pupils per classroom in our own school 3. build additional space 4. committee of eight) it was voted to have several plans and their costs brought in to the March meeting in order that action could be taken at that time. There was also a vote to have a regional school proposition presented to the voters in March.

Article 3. No other business — meeting adjourned at 9:20 p.m.

JUDITH H. BATCHELDER

Clerk of School District

A true copy — Attest: JUDITH H. BATCHELDER

Clerk of School District

School Warrant For 1965

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of the Town of North Hampton, in the County of Rockingham, and the State of New Hampshire, qualified to vote on District Affairs:

You are hereby notified to meet at the North Hampton Elementary School Auditorium on Atlantic Avenue in said District on Friday the Twelfth of March at Four O'Clock in the afternoon, and cast ballots from that hour until at least Nine O'Clock in the evening of said day for candidates for the following district offices:

1. Moderator for the ensuing year.
2. Clerk for the ensuing year.
3. A member of the School Board for the ensuing three years.
4. A Treasurer for the ensuing year.

And you are also notified to meet at the same place at 7:30 O'Clock in the evening to act on the following subjects:

5. To see what action the District will take in relation to reports of Agents, Auditors, Committees or Officers chosen.

6. To see if the District will vote to authorize the construction and equipping of additions to the North Hampton Elementary School, so called, and alterations to the existing plant thereby providing additional educational facilities for use by the District, and further,

to see if the District will vote to raise and appropriate a sum not to exceed three hundred thousand dollars (\$300,000) for such purposes and whether the District will vote to raise such sum through the issuance of serial notes and/or bonds upon the credit of the District, for all or any portion of the sum so raised and appropriated and will vote to authorize the School Board to negotiate, and issue such notes and bonds, and to fix the rate of interest and all other terms thereof, and to take such other action as may be required to effectuate the purpose of this vote in accordance with the provisions of the Municipal Finance Act R. S. A. Chapter 33 and any amendments relating thereto and to see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States Government or any agency thereof, or take any other action in connection with the foregoing matters, or any of them, which may be desirable or necessary. (Recommended by Budget Committee).

Note: Three preliminary schemes have been developed by Irving Hersey Associates of Durham, New Hampshire. The School Board and the Advisory Committee have studied each scheme and there will be a report presented to voters at the time this Article is being considered.

Drawings showing the three schemes will be posted with the Warrant and also included as part of the School District's Annual Report.

Scheme III requires an appropriation of \$300,000; Scheme II requires \$236,000,

and Scheme I would require an appropriation of \$195,000.

The action the Municipal Budget Committee has taken in approving the \$300,000 appropriation makes it possible for voters to select the scheme of their choice.

7. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.

8. To see if the District will vote to create a co-operative school district planning committee which committee shall report at the next annual district meeting or sooner and further to see if the District will authorize the moderator to appoint three qualified voters, of whom at least one shall be a member of the School Board, to serve on the committee.

9. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District.

10. To transact any further business which may legally come before said meeting.

Given under our hands at said North Hampton this 15th day of February 1965.

June 24, 1964

Lunch Manager

Report of the Superintendent of Schools

I welcome this opportunity to present my fourth annual report to School Board Members and voters. In this report I shall discuss matters of special interest to voters at this year's Annual District Meeting.

Committee of Eight Continues to Study Union-wide Problems

Last year's report included considerable discussion of this topic. If one were to review the 1963-64 report it would be noted that last year's planning did result in action in several districts.

The Seabrook School addition is nearing completion and it will provide the needed facilities for increased enrollments. This building project provides a library and a science laboratory as well as seven additional general purpose classrooms. The School Board is planning to employ a librarian so that effective use can be made of that important educational area. Some citizens of Seabrook have expressed the hope that before too long the District will see fit to increase the size of the auditorium-gymnasium provide their own school lunch program (Seabrook is presently served by the Winnacunnet Lunch Program with the meals and dishes transported daily.) and provide the additional facilities needed to have a well organized physical education program for all elementary pupils.

In Hampton Falls the voters approved sending sixth graders to the Hampton Academy building on a tuition basis. Hampton voters also approved this tuition arrangement for a period not to exceed three years so as to allow further study of district consolidation.

In North Hampton an expanded citizens advisory

committee has been continuing to study space problems and this committee working with the School Board has arranged for three specific building proposals to be included in this year's School District Warrant.

At the December joint-board meeting of all school board members within Supervisory Union #21 action was taken to insert an article in the school district warrants of Seabrook, Hampton Falls, Hampton, and North Hampton, which article would make possible the formation of a Cooperative Planning Committee in each district. These four Planning Committees would organize as a Planning Board having the responsibility for studying possible district consolidation to include the development of articles of agreement which could be presented to voters for their approval or disapproval.

Possible District Consolidation

One may reason, since Seabrook has already taken action to build, Rye contemplates action this year, and South Hampton and New Castle are somewhat removed geographically, that any solution advanced would necessarily involve the three Hamptons—North Hampton, Hampton and Hampton Falls. Seabrook does not have a space problem, but consolidation will be considered by voters because of other benefits which seem significant.

The Hampton School District will need to start planning an addition in 1967 with the expectation that space would be available in September of 1969. The compression is being experienced in grades 1-4. North Hampton's compression exists in the upper grades and an addition is needed now.

The three Hamptons (Hampton Falls, Hampton and North Hampton) need to provide additional space to accommodate the increasing numbers of pupils who will be attending public schools within each of the districts. It may be very important to go beyond independ-

ent district consideration and give thought to possible ways to jointly solve the space problems for all three districts.

There are significant educational benefits as well as important financial implications. For example, if three districts became one for grades 1-8, Hampton might send some elementary students who live near the North Hampton School to that school, and North Hampton could send its Junior High students to Hampton's departmentalized Junior High School which has the facilities needed for a comprehensive Junior High program. This reorganization could make possible greater educational return for the tax dollar invested.

At this point I should explain that the formation of a regional school district does not mean the building of a completely new school nor does it mean the elimination of the need for more space in the future. Each district entering into the agreement would bring with them the complete buildings and other assets which they have. In turn, existing debts would also be brought into the new organization (note: the State assistance for the repayment of bond issues would increase from the present 30% to 50% if four districts were consolidated). Future building requirements could be decided according to population density within the new district.

If the voters approve the appointment of a Cooperative Planning Committee and if, at the later date, the School Districts vote to form a regional school district such action would not be in conflict with a building project. Consideration is being given to building an addition which could be used for any elementary grades which might be assigned to the building.

I can personally see no possible harm coming from the appointment of this planning committee and such action, if taken by the voters, could result in educational benefits of significance. Less spending for

schools must not be promised, but better advantage could be taken of State aid plus the real possibility of a greater return for the dollar spent because of more effective use of staff and facilities.

Building Proposals for North Hampton

This section of my report is intended to inform voters of the space problem setting forth the points of view which have been given serious consideration by the Board and the Advisory Committee to include costs estimates and tax impact.

The actual membership of the North Hampton School in November of the current school year was 437 which was a 3% increase over last year. The School District Census report (an enumeration of children presently living in North Hampton), reflects an additional 17% increase in school membership between now and 1969-70. At the present time the room formerly assigned as a teacher's room is being used as a classroom and the area previously used as a cafeteria has been converted to a temporary classroom. In summary, all available space is being used in the school with the lunch program being discontinued for want of space. The space needs of the North Hampton School will be reviewed based on the following assumptions:

1. The teachers' room will not continue in use as a classroom.
2. Two temporary classrooms in the basement will not continue in use as classrooms (setting space free for a cafeteria).
3. Principal's office space will be expanded thereby requiring new space for a health room.
4. Planning is to provide for the possible housing of eight grades through 1972-73.
5. Physical education will be provided all grades with shower and dressing room facilities for grades 5, 6, 7, and 8.

6. The District does not wish to provide Kindergarten, Shop or Homemaking.

7. Grades 1-6 for the most part are self-contained classrooms with special instruction in Music, Art, French, and Physical Education (also special instruction in reading to supplement classroom instruction).

8. Grades 7 and 8 to be departmentalized to include; English, Math, Social Studies, Science, French, Reading, Physical Education, Health, Music, Art, Study and Activities.

Additional Space Needs

General Classrooms (23-15)	8
Science Room (to be used as a homeroom)	1
Library	1
Health Room	1
Shower and Locker Facilities	1
Storage Area	2

Some Alternatives

1. If no cafeteria is required the number of general classrooms to be added can be reduced to 6 and still provide for the estimated membership for the year 1972. (Same special areas as depicted above).

2. If the cafeteria was to be provided, but space needs were to be planned for the year 1969-70 rather than 1972-73, the number of general classrooms could be reduced to 5. (Same special areas as depicted above)

3. If no cafeteria is required and if planning is for 1969-70 rather than 1972-73, then the number of additional general classrooms could be reduced to 3. This would mean the building would not likely be adequate for more than, three years after the addition was completed. (Same special areas as depicted above).

The above points of view and the suggestions which were voiced by voters at the Special District Meet-

ing held in November 1964, were considered by the School Board, and the Advisory Committee.

The cost estimate for the total comprehensive project (8 classrooms plus special areas) has been carefully developed in the light of current construction costs and has been set at \$300,000.00, including site development, architectural and engineering fees, furniture and equipment, as well as the costs of materials and labor.

Voters will be asked to:

1. Approve the addition
2. Appropriate the amount not to exceed \$300,000
3. Raise through the sale of bonds \$300,000 to pay for the addition.

It should be understood that if the building project is approved competitive bids will be received and the actual cost of construction can only be determined after the bids are in. The estimate, if acted upon by the voters, sets the limit to the spending for the project; but, the entire amount may not be needed, in which case a lesser amount would actually be raised through the sale of bonds.

Bond repayment schedules will be studied by the School Board and the Advisory Committee prior to the sale of bonds. Several matters which will have to be decided affect the interest rate, but it is possible to provide approximations of the tax impact on the community. The following assumptions are only made for purposes of developing cost data and are based on a total project:

1. Total issue — \$300,000.00
2. Estimated interest rate — $3\frac{1}{2}$ per cent
3. 1964 assessed valuation used in computation
4. State building aid 30% of principal payment
5. First principal payment August 1, 1966
6. Computations:

1965-66 (1st year) principal payment none
 Interest for $\frac{1}{2}$ year \$5,250

Total \$5,250 tax impact
 \$.86/M

1966-67 (Peak Year—debt service costs
 decrease each year thereafter)

20,000 principal less state aid 14,000

Interest for year 10,150

Total 24,150 tax impact
 \$3.97/M

The School Board suggests the use of monies received from the New Hampshire Sweepstakes to offset the tax impact of the addition. For example, a conservative estimate of the revenue to be received in 1965-66 is \$10,800.00. This would offset all but \$13,350.00 of the debt service for the the new addition (in the peak year)—the tax impact for this \$13,350.00 increase in debt service is estimated to be \$2.19 per thousand of assessed valuation. In another two years this tax impact would be offset because of the completed repayment of existing bond schedules, if all assumptions remain valid. (\$10,000 in 1967 and \$5,000 in 1969).

The brochure, which may easily be detached from this booklet describes the three building proposals in terms of classrooms and other instructional areas which have been planned.

As you consider these building proposals please keep in mind that it usually takes one full year to complete an addition such as is being proposed and therefore the new rooms could not be used until September 1966. The delay of one year while the addition is under construction will not cause unreasonable crowding, however, further delay would cause overcrowded classrooms in the early grades where individual attention is of great importance to most youngsters.

In the days which remain prior to the District Meeting you are invited to study proposals and ask questions of Board Members or Administrators so that your vote will reflect your thinking on this important matter.

I appreciate the opportunity to write on these important matters for the education of youth requires our serious consideration.

Thank you for your support of education—it is needed and appreciated.

Respectfully submitted,

JASON E. BOYNTON

Superintendent of Schools

*SUPERINTENDENT, TEACHER CONSULTANT
AND BUSINESS ADMINISTRATOR'S
SALARY SHARES*

The following figures show the State's share of the Superintendent's, Teacher Consultant's and Business Administrator's salaries and the proportionate share paid by each school district in Supervisory Union No. 21 for 1964-1965.

	Supt.	Teacher Consultant	Business Admin.
State's Share	\$ 2,500.00	\$2,500.00	\$2,500.00

Seabrook	1,032.13	484.65	314.12
South Hampton	193.77	90.99	58.98
TOTAL	\$14,000.00	\$7,900.00	\$6,000.00

REPORT OF SCHOOL NURSE

To the Superintendent of Schools and
the School Board of North Hampton:

The school health program has been carried on much the same as in the past. All pupils have been weighed and measured. Vision and hearing tests have been done. Eighteen eye defects were found through the use of the Titumus eye machine. All of these have been corrected. Several hearing problems were picked up with the use of the otometer. Those children who were affected are being treated successfully.

Tuberculin patch tests were given all teachers who had not been x-rayed during the year. Pupils of the first, fourth and seventh grades were patch tested with all results being negative.

Flu vaccine was administered by me to the members of the staff who wished to receive it.

Dr. Charles Bailey, did physical examinations on fourth and seventh graders and all boys who participated in sports.

The itinerary speech classes have been carried on weekly throughout the school year by a speech therapist from the Portsmouth Rehabilitation Center.

Regular class room visits are made by me each week. Health problems are discussed individually as well as in groups and with the use of audio-visual aids.

A pre-school round-up day held in June. Fifty-five children visited the school and were weighed, measured, and eyes and ears were screened and speech was evaluated.

Thanks to the Hampton Lions Club for their helpfulness throughout the year.

Two hundred and sixty-five home contacts were made by me in 1964.

Respectfully submitted,
JESSIE M. SHORT, R. N.
